

III. REMARKS

Claim 7 is amended to correct an antecedent basis error. The change does not further limit or narrow the scope of the claim and is not made for reasons related to patentability.

Applicant appreciates the allowance of claims 1-6, 8 and 9.

For all of the foregoing reasons, it is respectfully submitted that all of the claims now present in the application are clearly novel and patentable over the prior art of record, and are in proper form for allowance. Accordingly, favorable reconsideration and allowance is respectfully requested. Should any unresolved issues remain, the Examiner is invited to call Applicants' attorney at the telephone number indicated below.

The Commissioner is hereby authorized to charge payment for any fees associated with this communication or credit any over payment to Deposit Account No. 16-1350.

Respectfully submitted,
